

STRONG DEVELOPMENT

Refined Design

No matter who is the client, Meeks + Partners' design philosophy is to make their client's life easier by making sure each job moves quickly, accurately and efficiently. The company's practice is based on effective communication, design, project management, quality technical execution, and cost control.

Repeat clients supply approximately 85 percent of the company's portfolio. Projects have included leading developers, REITS, and home builders such as Gerald Hines, Lincoln Property Co., JPI, Gables Residential Trust, Forest City, Merry Land and Investments Co. BRE Property and Avalon Bay Communities.

For additional information, contact Cathy Reinbeck at (281) 558-8787.

Meeks + Partners

Company History

Founded in 1974, Meeks + Partners has planned and designed more than 300,000 living units across the country. In 1985, the firm added an office in Newport Beach and in 1988, an office was added in Barcelona, Spain. The firm is composed of approximately 100 professional architects, designers and planners. The company has completed work in 30 states and seven countries. The firm's scope of work includes high density to luxury and single family, multifamily, student and senior housing, hotels, high density mixed-use urban villages, community master planning and luxury high-rise commercial buildings.

Donald Meeks

A principal in the firm since 1978, Donald Meeks serves as Chief Executive Officer as well as head of design services, and directs the activities of M + P's design staff. He is a graduate of Iowa State University and the University of Houston. In 1997, he was honored with the Outstanding Alumni Achievement Award for design from the University of Houston's Gerald D. Hines College of Architecture. Professional memberships include American Institute of Architects, the National Council of Architectural Registration Boards and the Urban Land Institute.
